

Indiana Office of Technology (IOT) Information Technology Policy (ITP) 00-4

Technology Profile: Hardware

Specific Area: Server

Purpose: To delegate authority to purchase servers to agencies that have an approved server plan.

Policy: Agencies may include a server plan for new purchases in their IT plan. The server plan will describe the standards for selecting and purchasing new servers.

If a server plan is included in the agency's IT plan when it is approved by the Indiana Office of Technology, authority will be delegated to the agency to purchase new servers according to that plan.

Scope: All agencies within the executive branch of Indiana state government

Statutory Authority: IC 4-13.1

References: None

Effective Date: July 1, 2005 (re-issued)
